**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

In the Matter of Trademark Application Serial No. 86/774,529

Mark: **AGATHOS**

Filed: October 1, 2015

	X	
	:	
HONDA MOTOR CO., LTD.,	:	
	:	Opposition No.
Opposer,	:	
	:	<u>NOTICE OF OPPOSITION</u>
v.	:	
	:	
YU WENG KIANG,	:	
Applicant.	:	
	X	

Honda Motor Co., Ltd. (“Opposer”), a corporation organized and existing under the laws of Japan with a principal place of business at No. 1-1, 2-chome, Minami-Aoyama Minato-ku, Tokyo Japan 107-8556, believes that it will be damaged by the registration of the following mark shown in Application Serial No. 86/774,529 and hereby opposes the same:

The grounds for Opposition are as follows:

1. Opposer is a Japanese corporation and the world’s largest engine maker and one of the world’s leading auto manufacturers, which manufactures products that include automobiles and motorcycles. American Honda Motor Co., Inc. (“AHM”) is a wholly-owned subsidiary of Opposer and the exclusive distributor of Honda and Acura-branded products, and the exclusive licensee of the ACURA trademarks, and all associated vehicle emblems, marks and

logos, within the United States. Among the products Opposer sells within the United States are ACURA-branded automotive vehicles, which all prominently display the following design mark:

2. Opposer has been continuously using the  mark in connection with automobiles and structural parts, and related goods and services, since at least as early as August 23, 1990 in the United States. Opposer invests significant resources in the advertising and marketing of its goods sold under the  mark. Opposer has also sold millions of vehicles bearing the  mark in the United States, and as such, the  mark serves to identify Opposer as the sole source of high-quality goods bearing the mark, and it has become internationally famous and a substantial commercial asset.

3. Opposer is the owner of several United States trademark registrations, including, but not limited to, several registrations for marks that incorporate the  mark, as shown below:

Trademark	U.S. Reg. No.	Goods/Services
	4,275,774	Class 12 automobiles and structural parts thereof (first use in commerce: August 23, 1990)
 ACURA	2,490,387	Class 35 providing information to automobile dealers on the subject of advertising; Class 38 electronic transmission of data, namely information to customers about product history, technology, and comparison to competitor products; and sales

		and marketing bulletins, press releases, and service information to sales, service, and management staff; and Class 41 computer-based training classes in the field of automobile sales, service and management
	2,875,172	Class 9 computer games and software; and Class 26 belt buckles not of precious metal and Class 28 toy replicas of vehicles
	2,646,476	Class 18 leather bags; and Class 25 clothing
	2,675,400	Class 18 umbrellas; and Class 25 clothing
	2,514,550	Class 35 business consultation provided to automobile dealers; providing consumer product information via the Internet; providing dealership support information to sales and management staff via the Internet, specifically, marketing bulletins and press releases; and Class 37 providing dealership support information to service and management staff via the Internet, specifically, service bulletins and Class 41 Computer-based training classes in the field of automobile sales, service, and management

(collectively, the “A Marks”).

4. True and correct copies of Opposer’s valid and subsisting trademark registration certificates for Opposer’s marks, along with true and correct copies of TSDR printouts for each of the A Marks, are attached hereto as **Exhibit A**. Opposer hereby gives notice in accordance with Trademark Rules of Practice 2.122(d)(2) that it will rely upon these registrations as

evidence in this proceeding, and a status copy showing present title may be introduced into evidence on its behalf during Opposer's testimony period. Furthermore, these registrations are valid, subsisting and in full force and effect and serve as evidence of Opposer's exclusive right to use the A Marks in commerce on or in connection with the goods and services identified in the registrations, as provided by 15 U.S.C. § 1115(a). In addition, several of the A Marks have become incontestable pursuant to 15 U.S.C. § 1065 and therefore serve as conclusive proof of Opposer's exclusive right to use the A Marks in commerce or in connection with the goods and services in the registrations provided by 15 U.S.C. § 1115(b).

5. The A Marks are inherently distinctive and fanciful.

6. The registrations for the A Marks are not limited by channels of trade or by classes of purchasers.

7. The A Marks are closely identified with Opposer's ACURA vehicles. One or more of the A Marks appear on every new vehicle and in virtually all television, print advertisements and product manuals for ACURA vehicles and are featured prominently on the <acura.com> website. As such, Opposer has developed extensive common law rights in the A Marks as a source identifier of reliable and high-quality automobiles and related goods and services.

8. By virtue of widespread sales and advertising and promotion of the goods and services offered under the A Marks, Opposer's marks have become well-known by the general public and in the relevant industries, are recognized and relied upon as identifying Opposer's goods and as distinguishing them from the goods of others, and have come to represent and symbolize extremely valuable goodwill belonging exclusively to Opposer. Opposer has spent substantial time, effort and money promoting its goods and services under the A Marks.

Through these efforts, the A Marks have become famous within the meaning of Section 43(c) of the Lanham Act, as amended 15 U.S.C. § 1125(c).

9. Upon information and belief, Yu Weng Kiang (“Applicant”) is an individual with an address of Duta Harapan Indah Blok N No. 36, Jakarta, Florida 34238.

10. Notwithstanding Opposer’s prior rights in the A Marks, Applicant filed intent-to-

use U.S. Trademark Application Serial No. 86/774,529 for the mark for Class 12 “bicycle gears; bicycle parts, namely, handle bars; bicycle pedals; bicycle saddles; bicycle tires; bicycles; cranks for cycles; inner tubes for bicycles; [and] rims for bicycle wheels” (hereinafter “Applicant’s Mark”). The intent-to-use application was filed on October 1, 2015, and was published in the Official Gazette on March 1, 2016. Opposer was granted an extension of time through and including April 30, 2016 to file an opposition.

11. The application for Applicant’s Mark is not limited by channels of trade or by classes of purchasers.

12. Opposer has continuously and exclusively used the A Acura Marks in commerce prior to Applicant’s filing date of the intent-to-use trademark application for Applicant’s Mark. As such, Opposer has priority.

13. Applicant’s Mark is nearly identical to and, at a minimum closely resembles, Opposer’s A Marks in sight, sound and overall commercial impression.

14. Applicant’s use and registration of Applicant’s Mark is likely to false suggest a connection with Opposer and Opposer’s A Marks.

15. Registration should be refused pursuant to Section 2(d) of the Trademark Act of 1946, as amended, 15 U.S.C. § 1052(d), on the grounds that Applicant’s Mark so resembles

Opposer's A Marks as to cause confusion, mistake and/or deception, all to the damage of Opposer.

16. Opposer's A Marks became famous before the filing date of Applicant's application.

17. Applicant's A Marks and Opposer's Mark so closely resembles Opposer's previously registered A Marks as to dilute or to likely cause dilution by blurring of the distinctive quality of Opposer's famous A Marks. As such, Applicant's Mark is not entitled to registration pursuant to 15 U.S.C. § 1125(c).

18. If Applicant is granted registration for the  mark, it would obtain, thereby, at least a prima facie exclusive right to use Applicant's Mark. Such registration would be a source of damage and injury to Opposer.

WHEREFORE, Opposer, by its undersigned attorneys, requests that the Trademark Trial and Appeal Board sustain its opposition to Application Serial No. 86/774,529 and grant any and all further relief to Opposer that the Board finds necessary and just in the circumstances.

Opposer appoints as its attorneys in these proceedings Dyan Finguerra-DuCharme and Ryan S. Klarberg of the firm Pryor Cashman LLP, 7 Times Square, New York, New York 10036, to whom all correspondence in this proceeding should be addressed. Please charge Deposit Account No. 500932 for the filing fee for this Notice of Opposition and for any other fees that may be due.

Dated: May 2, 2016

Director of the United States Patent and Trademark Office

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.*
See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or
reminder of these filing requirements.**

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. *See* 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. *See* 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.
